SUMMARY

I am a dedicated student currently pursuing a Bachelor of Technology at the Institute of Advanced Research, specializing in computer science. I have developed strong programming skills in Python, C++, and I am particularly interested in AI and ML technologies. With hands-on experience in various projects, I have effectively applied theoretical concepts to practical solutions. I am passionate about continuous learning and contributing to innovative technical solutions.

EDUCATION

Diploma in Computer Engineering

Government Polytechnique

📅 07/2021 - 04/2023 📍 Himatnagar

Bachelor of Technology

Institute of Advanced Research

📅 07/2022 - Present 📍 Gandhinagar

SKILLS

Big Data Blockchain HTML/CSS Data Structures R ML MATLAB Python Power BI SQL

PROJECTS

Web Projects

Created website projects using html, css, js.

- Created a college management system
- Created a music playing system

Python Projects

Various software development projects undertaken using Python

- Developed a small user static quiz code in python language with help of python GUI Tkinter
